

Reading the Signs of Destiny ~ November 2-7th, 2008. Canterbury Hills, Dundas, Ontario

One of the Masters Courses offered by The Four Winds Society, Dr. Alberto Villoldo's school

Divination is the art of recognizing and aligning oneself with the signs of destiny. You will learn to read the signs provided to us by nature, randomness and chance events. Shamanic seeing is the learned ability to perceive the luminous world of energy and spirit. You will discover ancient tools to awaken the shaman's way of seeing. You will learn to sense the energy vortexes, or chakras, as well as develop the skills and tools for tracking and divination. During this week you will open the doors of perception to discover the luminous world of energy and spirit that surrounds us, and awaken the dormant seer within.

The Four Winds Society, an international research and training organization, is preserving a thousand year old tradition of knowledge to achieve personal and planetary healing.

Founded by psychologist and medical anthropologist Dr. Alberto Villoldo, The Four Winds Society provides a scientific framework through which we can learn the ancient art of energy medicine.
